## Web Application Developer

### ABOUT ME

As a web developer with over 3 years of experience, I specialize in developing high-quality, scalable, and reliable applications using a variety of technologies. I have a strong foundation in computer science principles and a track record of delivering successful projects on time and within budget. My skills include expertise in languages such as PHP, JavaScript, Java, SQL, MySQL, HTML, CSS, Python, C#, and C++, as well as experience with frameworks such as Laravel and .NET Core. I am always looking to expand my knowledge and take on new challenges.
